FOREWORD

Through the gates of Foster High School pass the leaders and followers of tomorrow. Each of us enters with different ideas, ambitions and beliefs. At first, we may find that life behind the gates presents the opportunities for making new friends, finding new social activities, and learning new experiences. Thus, as life around us gathers momentum, we discover that we are being exposed to a new phase of academic learning.

Becoming aware of this new phase, we realize that "Life is composed of two parts, that which is passed--a dream; that which is to come--a wish." We study, we play, we learn. A part of that wish is fulfilled after long years of "sweat, toil, and tears." The other part of that wish is a pending challenge.

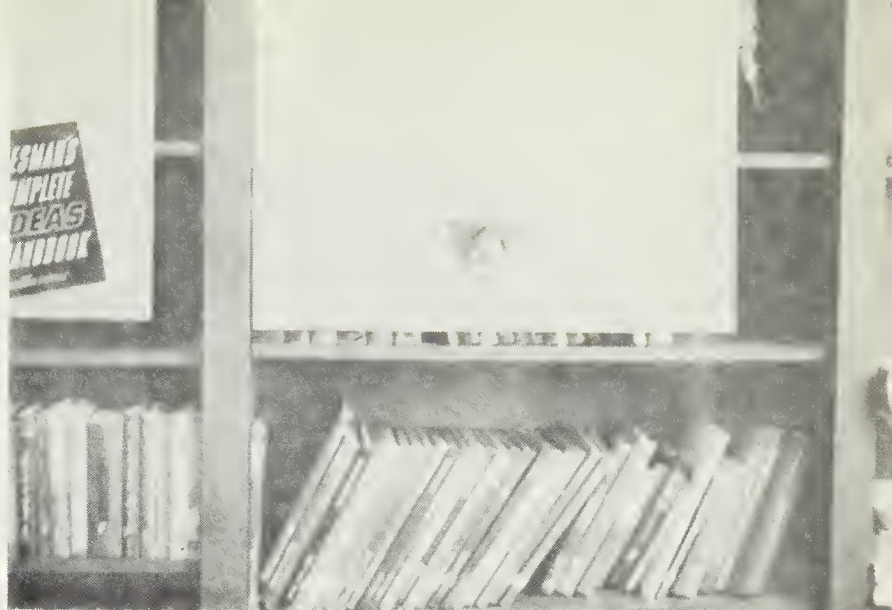

Yet, there has to be a memory--a lasting memory of the struggle from beginning to end. Where can we find such a blessed and lasting memory of our high school days, of Bulldog Land? --- Here, O mighty reader, in the pages of the 1966 Bulldog--Handle it with care, for it is ever fragile, and it must serve for years to come. Read it, cherish it. It is a reminder of:

DEDICATION

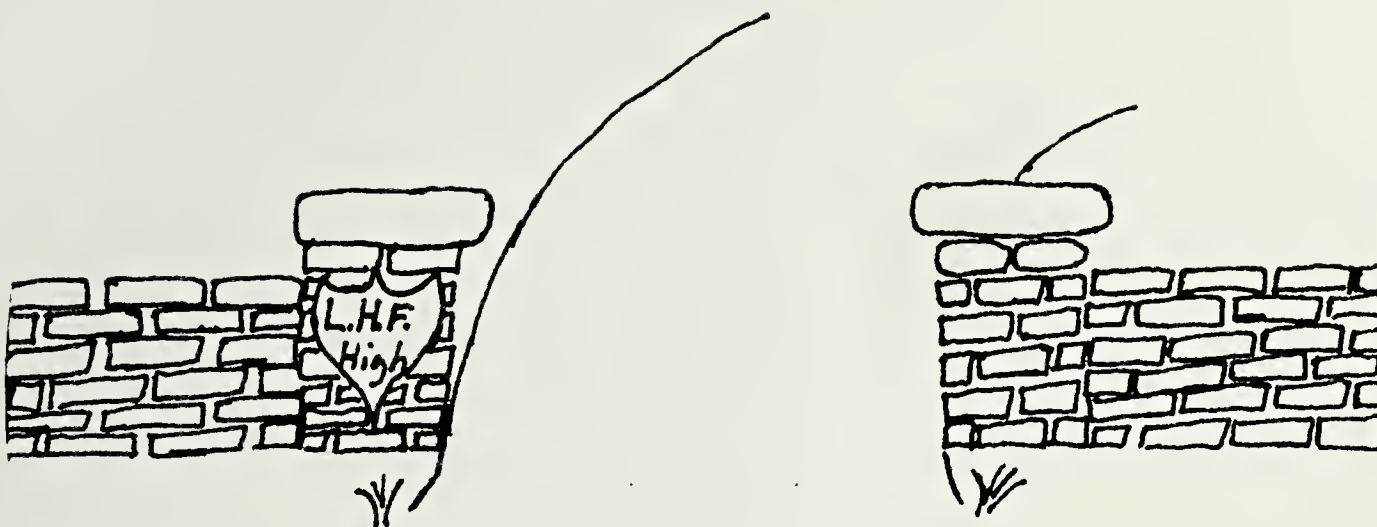

We the Senior Class of "66" solemnly dedicate our yearbook, the "1966 Bulldog", to our devoted faculty.

Being our final year at Luther H. Foster, we select you, dear faculty, with deepest gratitude for the assistance you gave us as we met the many difficult challenges which confronted us.

We feel that we are a very special and privileged class to be graduating when the world is in the great need of highly trained and educated young men and women.

We wish to show our appreciation for your willingness to help us in every worthwhile thing we have strived to do. We proudly dedicate this "Bulldog Yearbook of '66" to you, our most understanding faculty.

OUR SCHOOL SONG

HAIL FOSTER HIGH

Tune "Danny Boy"

Hail Foster High!

We pledge our lasting love to thee!
Our voices raised, we'll ever sing your praise
With open minds, we learn, we know no other--
Thy name alone, we proudly cheer and raise!

(Chorus)

Hail Foster High!

Your mortals stand so steadfast--
True to humanity, and brotherhood,
We stand with you forever and forever,
Your cause is just, so kind, so true and so good.

Hail Foster High!

Erect with structure, bold and great,
Your beauty we, will always keep preserved.
You stand in tribute to the welfare of mankind
It's us, dear school, it's us you've nobly served.

(Adopted by faculty - October 19, 1950)

"Peace is not absence of war, it is a virtue, a state of mind, a disposition for benevolence, confidence, justice."

ADMINISTRATION

THE PRINCIPAL SPEAKS . . .

It becomes my pleasure again to congratulate you on your educational achievements thus far. I hope that I can award you a crown of victory in June.

It hardly seems like five years since I first welcomed you in the Foster family and yet you have almost completed your tasks. Many changes have taken place at Foster and in the world since our first meeting. I hope that these changes have influenced you and that the knowledge you have received here has been so flexible that you will want greater accomplishments. In your strife, remember that the best is desired in anything that you do. Your best only comes after your earnest effort, skilled attainment, and dogged determinations to move forward.

Take an honest retrospect of yourselves. How will you fit in this scheme of life? It is easy to say I can't, but is it an honest appraisal? Have you applied hard work to efforts? There is no substitute for knowledge. For he who said --"I am the Way" --is still the way. If you in your strife for greater accomplishments, follow his pattern of life, I assure you that prosperity will be yours.

Go forth and make Nottoway, Foster and parents proud of you.

CLASS HISTORY

It was a sunny, autumn day in September 1961, when one hundred fifty eager seekers of knowledge arrived on the Luther H. Foster soil. Greeted by many friendly faces and waiting opportunities in this land of wisdom, these explorers soon settled to obtain understanding in various fields of knowledge. Certainly we had many successful expeditions along the way.

In the pre-freshman expedition, much of the time was spent getting adjusted to this new environment but many of us found interest and represented our school in clubs, sports, and district conferences. Johanna Venable won the title of May Queen in 1961-62.

In the freshman expedition, Eva Maria Adams, Jacqueline Hurt, Lillian Booker, and Jacqueline Branch were selected by virtue of their musical training, to participate in the All-State Choir held at Virginia State College, Petersburg. Wanda Fitzgerald, William Carter, Sandra Fowlkes, and Carrie Green received awards at the District Math-Science Conference. Harriet Bridgeforth became a member of the girl's basketball team.

In the sophomore expedition, Susan Smith won third place in a Pyrofax Baking Contest. We were fortunate to have a group of students who displayed their athletic abilities. Jennie Jones, Carrie Green, Annie Hawkes, Susan Smith, Carolyn King, and Joann McCray became members of the girl's basketball team. Our sophomore boys who displayed their outstanding abilities in athletics were James Walker, William Carter, Jesse King, John Vaughter, Roger Eppes, Emmett Tucker, Henry Banks, James Jennings, and Charles Williams.

In the junior expedition, eight of our members, Annie Hawkes, Carrie Green, Merdith Ward, Sandra Fowlkes, Susan Smith, Wanda Fitzgerald, Roger Eppes, and Kelvin Hobbs were accepted into the National Honor Society. At the District Conference, Sandra Fowlkes was elected secretary. Susan Smith received a \$200 Drama Scholarship. Harriet Bridgeforth became captain of the girl's basketball team and William Carter became captain of the football team. The Junior talent show, "On Broadway," was the hit of the year. Our next big event was the Junior-Senior Prom which was held at the Community Center in Blackstone, Virginia. The theme for the most enjoyable occasion was "Tender Is The Night."

Our Senior expedition finally arrived and at last we reached that long awaited moment. The eighty-five of us who had successfully overcome the obstacles in our paths, became the Senior Class of 1966. One of the highlights of our senior year was having Sandra Farrar crowned "Miss Homecoming" for the year '65-66. We owe many thanks to our leaders, Miss Godette, Mr. Griffin, and Mr. Anderson for their loyalty and service.

Our school years have been highly educational, enjoyable, and rewarding. We shall forever cherish the memory of the challenges of our years at Foster. They will serve as stepping stones to success in the future.

SENIOR CLASS WILL OF 1966

We, the Senior Class of 1966, having completed a major phase of our education, wish to make the following bequeaths:

To our parents, who gave us financial support, guidance, courage, and everlasting love, we leave our sincerest gratitude.

To our Principal and dearest Faculty members, we leave our appreciation for their kindness and patience.

To the Juniors, we bequeath our seats in the auditorium; occupy them but do not try to fill them.

To the Sophomores, we bequeath our best wishes and the ability to achieve better things in life.

To the Freshmen, we bequeath our friendship and loyalty, hoping they will put them to good use.

And last but not least, to the Pre-Freshmen, we bequeath our ability to stay ahead at all times.

CLASS PROPHECY

June 10, 1976
Moon River

Astronauts William Carter, Jesse King, and Kelvin Hobbs have arrived on the moon and are relating the success of the ambitious Senior Class of 1966 back to earth.

They state that Roger Eppes, the president there, has recently joined in holy matrimony with Jennie Jones, the chief of staff, at the D. R. Miller Sanitarium. This sanitarium is named in honor of David Miller, who has done so much to advance the research on tuberculosis. Some prominent doctors, and nurses at this sanitarium are John Stokes, Samuel Blackwell, James Peace, Robert Allen, Henry Banks, Wanda Fitzgerald, Sarah Ward, Bernice Robertson, Rosa Ford, and Dallas Knight.

From the grid-iron we have just seen the famous Moonwide-known quarterback, John Vaughter, make the winning touchdown of the game. Other famous players on the Moon Spiders Team are Lynell Neblett, Irving Cousins, Emmett Tucker, James Yates, Charles Williams, and James Jennings, who is now married to a famous mathematician, Annie Hawkes.

The three famous Moon Lads, James and Walter Blackwell and Richard Lewis are still raising their handsome voices to high heaven in the praise of God.

Some of the teachers who are imparting their wisdom upon their former classmates children are Sandra Fowlkes, Sandra Farrar, Lillian Booker, Gloria Johnson, Gloria Wilson, and Robert Fowlkes.

The undefeated Moon Nehis are scheduled to play the Harlem Globe Trotters at the YMCA. The chief officials are Meriwether Evans and James Elder. Playing center with the Nehis is James Walker, who has broken his own record for the highest scorer twice. Other members of the team are Thurman Oliver, Robert Bowler, Frankie Jefferson, James L. Taylor, and Curtis Hawkes.

William Green and wife, Susan Smith have become Multi-millionaires from their production of Green Cheese.

Starring in tonight's Milkyway performance is the rising new Modern Dance star Eva Maria Adams.

The following are the best IBM OPERATORS found on the Moon: Lydia Woodson, Laverne Vaughan, Hattie Williams, Christine Watson and Shirley Todd.

The Reverend Joann McCray has recently performed the following wedding ceremonies: Claiborne Jennings to Cora Wilkins, Waverly Fowlkes to Jacqueline Branch, Robert Allen to Pontgine Coleman, Fred Bagley to Phyllis James, Floyd Jennings to Yvonne Parrish, Norman E. Taylor to Carolyn King, Lee Scott to Johanna Venable, Earl Stokes to Lilli Johnson, and James F. Taylor to Mattie Harris.

The one and only famous lawyer, H. Doretha Bridgeforth, has just won the case of Theresa Hawkes vs. the State, Moon River.

Carrie Green has just discovered a cure for cancer in her research Laboratory.

Because of the sunspots there on earth, we must discontinue our broadcast for now. Until we return to earth, Bon Soir.

SENIOR CLASS MOTTO: Every Man Is the Architect of His Own Future

CLASS COLORS: Light Blue and Black

CLASS FLOWER: Blue Carnation

CLASS POEM

Ever grateful to our beloved Foster, we stand
With our lives uncarved, thus
We will soon release your guiding hand
To grasp what is offered us.

As you steered us onward toward our goal
You have instilled in us day by day
The desire to have each new tomorrow
Find us farther along our way.

You taught us to be up and doing,
With a heart set for any fate,
To be achieving, to be pursuing,
To labor hard and patiently wait.

Our memories of Foster are of pride and devotion,
They will be our guiding ray,
As we struggle over life's vast ocean
For we have only crossed the bay.

We must leave these familiar classes and halls,
The challenge of the great world calls
For us, the "66" Senior Class,
To meet the future and let the present pass.

CLASS SONG

Dear Alma Mater
Erect, great, and bold
We honor Thee and praise Thee
Our strength from days of old.

Although we leave Thee sadly
Not one could leave Thee prouder
To meet the future bravely
And sing thy praises louder.

Chorus

Dear Foster, Foster High
Our hearts with Thee remain
We will strive to use with pride
The things from Thee we've gained.

FAREWELL ADDRESS

Within the gates of Foster, we have spent some of our happiest moments. We have met the challenges which confronted us--how well we met them must be judged by others.

As we go forth from these protective halls, the ideas, ambitions, and beliefs that were instilled in us will be the blocks from which we shall sculpture our coming years. But individuality must serve as the tools with which we shall carve. "For Every Man Is The Architect Of His Own Future."
